

Non-Matriculated Curriculum and Resources

This guide is for students admitted in the Non-Matriculated or ONRAMP pathways.

1. Curriculum

Non-Matriculated Students

You can take **one or two courses a semester** for a maximum of four courses (12 credits) without making a commitment to a degree program. Below are the courses that Non-Matriculated students are permitted to take:

- Social Welfare Programs and Policies I: MSWPF-GS 2003
- Diversity, Racism, Oppression, and Privilege: MSWPF-GS 2010
- Human Behavior in the Social Environment I: MSWPF-GS 2006*
- Human Behavior in the Social Environment II: MSWPF-GS 2007
- Social Work Research I: MSWPF-GS 2009

ONRAMP Students

You can take **one course a semester** for a maximum of two courses (6 credits) without making a commitment to a degree program.

- Human Behavior in the Social Environment I: MSWPF-GS 2006*
- Human Behavior in the Social Environment II: MSWPF-GS 2007

*Sequential courses (i.e. Human Behavior in the Social Environment) are designed to be taken in order and cannot be taken at the same time.

Please note: Non-Matriculated and ONRAMP students cannot enroll in electives, Social Work Practice, Practicum Instruction, or any other courses that are not listed above.

2. Moving on to an MSW Degree

Receiving MSW Credit

While taking classes at the Silver School, we encourage you to consider enrollment in our MSW program.

- Non-Matriculated and ONRAMP students must earn a grade of "B" or better to have their credits transfer to our MSW degree.
- Students later admitted to our master's program may receive credit for as many as four courses (12 credits).
- If you are admitted into the 32 Month, Hybrid MSW, Extended or Extended One-Year Residence program pathway, you cannot begin your Practicum Instruction until designated in your program pathway plan.

Applying to the MSW Program

You can reach out to the Admissions and Enrollment Services Office to arrange a meeting to discuss the admissions requirements and the application process.

Volunteerism

As you explore the social work profession in the classroom, you may want to get experience in social work settings if you haven't already. We encourage you to consider a population or setting that may be of interest to you and find a volunteer opportunity in this area. This will provide you with hands-on experience in social work, familiarize you with the profession, and help you determine if this is the right career path.
