

Scholarship Funding Guidelines Breakdown by Pathway for MSW Students

Students awarded an **NYU Silver Scholarship** (this may be referred to as the **Dean's, Founder's, Rosen, or Extended Practicum & Practice Scholarship**) must adhere to the minimum credit enrollment requirements as determined by their MSW program/pathway and maintain good academic standing (minimum GPA of 3.0), in order to receive their scholarship for the duration of their program.

Students on academic probation (newly admitted or continuing) will not qualify for scholarship. NYU employees or family members that qualify for the **Tuition Remission** benefit will not be eligible for scholarship. Scholarship will not be offered for repeated courses (ie. courses that were withdrawn or previously received a failing grade)

Please be aware that federal funding such as federal loans are based on a different set of [enrollment criteria](#) for full-time and part-time status. Please refer to the [Office of Financial Aid at NYU](#) for details.

Any students deviating from the below plans should contact their [academic advisor](#) and [NYU Silver Financial Aid](#).

Please note that deviating from the sample curriculums for each program pathway may result in an "[Enrollment Mismatch Hold](#)" in ALBERT. Please be sure to follow the directions listed in ALBERT to resolve the hold after you have confirmed your plan with your [advisor](#). Speaking to your advisor and receiving prior approval will not remove the Enrollment Mismatch Hold. Students are responsible for resolving the hold themselves before the end of drop/add.

- **[Two Year](#) and [16-Month Accelerated](#)** students must enroll in a minimum of 12 credits per semester (inclusive of practicum and practice classes) to receive the Silver scholarship awarded upon admission.
 - Silver scholarships are awarded for two years (four semesters) for Two Year and 16-Month Accelerated students.
 - *Summer* - Two Year students may take summer courses, but must meet the minimum requirements for fall and spring semesters to keep scholarship uninterrupted. This will most likely generate Enrollment Mismatch Holds. *There is no additional scholarship for summer courses.*
 - *January Term (J-Term)* - We will count the total number of credits you are enrolled in between J-Term and Spring for your minimum credit requirement to maintain your Spring Silver scholarship (for example 3 credits in J-term and 10

credits for spring would be 13 credits combined). The scholarship will be applied to your Spring bill.

- **Advanced Standing** students must enroll in a minimum of 12 credits per semester (inclusive of practicum and practice classes) to receive the Silver scholarship awarded upon admission.
 - Silver scholarship is awarded for one year (or two semesters) for Advanced Standing students.
 - *January Term (J-Term)* - We will count the total number of credits you are enrolled in between J-Term and Spring for your minimum credit requirement towards your Spring Silver scholarship (for example 3 credits in J-term and 10 credits for spring would be 13 credits combined). The scholarship will be applied to your Spring bill.
- **Extended** - Silver scholarships are awarded for a maximum of three academic years (six semesters) total following the [sample course of study](#).
 - Students in the first year must be enrolled in a minimum of 6 credits per semester to receive the scholarship award of \$2,000 for the first academic year (\$1,000 per semester. Fall/Spring OR Spring/Summer).
 - Must be enrolled in a minimum of 7 credits per semester in the second year (inclusive of practicum and practice classes) to receive the scholarship award of \$6,000 per academic year (\$3,000 per semester). *Can not be awarded in addition to the \$2,000 Silver Scholarship.*
 - Students must enroll in a minimum of 7 credits per semester in their third year (which must include enrollment in practicum and practice class) to receive the scholarship award (\$6,000 per academic year).
 - Please speak to your academic advisor if deviating from this plan.
 - *January Term (J-Term)* - There is no additional scholarship for J-term.
- **Hybrid MSW** students receive a 25% discount on current tuition charges (no fees) each semester of enrollment up to 65 credits as long as they maintain good academic standing within the Hybrid program and are enrolled for a minimum of 6 credits.
- **32-Month Program for Working Professional** students receive a 25% discount on current tuition charges (no fees) each semester of enrollment up to 65 credits as long as they maintain good academic standing within the 32-Month program and are enrolled for a minimum of 6 credits
 - *January Term (J-Term)* - Your 25% scholarship will apply for J-Term since it is based on your enrollment each semester. J-Term scholarships are typically updated in mid to late November.

Please note that deviating from the sample course of study for each program pathway may result in an ["Enrollment Mismatch Hold"](#). Please be sure to follow the directions listed to resolve the hold after you have confirmed your plan with your [advisor](#).
